

Tailored to your needs

EDITO

Summer is here to enjoy outdoors meals with family and friends: salads, paninis, sandwiches, pizzas and many more. Thanks to our cheeses, it is easy for you to offer surprising recipes. We wish you a nice and tasty summer break and we look forward to seeing you at ANUGA in October, to meet and share our innovations.

With Best Regards,

Pauline Boucher

THE FROZEN MOZZARELLA GETS MOVING!

The frozen mozzarella range gets moving !

Maestrella widens its range of frozen pizza cheeses with the **Mozzarella 47% Fat in a 2.5 kg bag** and the **1kg cylinder 40% Fat**. The frozen mozzarella 47% fat has a delicious **typical milky flavour and a smooth texture with a low coloration**. As for the frozen mozzarella cylinder 40% fat, this tasty mozzarella **easy to slice, has excellent stretching properties** to get appetizing and generous dishes. Besides to be **user-friendly**, these frozen mozzarellas **preserve the nutritional qualities and taste of the fresh mozzarella** with a **longer shelf life** which allows an **easy stock control**.

NEWS-EXPRESS 

New Italian IQF cheeses

Switch your menus to summer dishes with a tasty Taleggio and chorizo panini and a fresh Gorgonzola salad, thanks to our new IQF cheeses. The Taleggio PDO IQF slices have a strong aroma, with a mild flavor and an unusual fruity tang. The Gorgonzola PDO IQF crumbles are rich and creamy with a savory flavor. Discover these recipes on our [IQF solutions website](#).
