

Tailored to your needs

EDITO

During this autumn, the **dairy industry rises to many challenges**. Facing the lack of milk in Europe although the demand in dairy products is increasing, the **Eurial teams get into action to answer your needs at best**. Furthermore, we will have **several occasions to meet and share**: the **ANUGA Fair** in October, the **Food and Hotel China** and the **Food Ingredient Europe**, both in November.

Eurial news

N°13 - September 2013

MEET US AT ANUGA

Meet us at ANUGA

Once again, **Eurial welcomes you at ANUGA**. From the **5th to the 9th of October**, come visit us at our **stand n° C010, Hall 10.1** (Dairy products) to discover our quality products and enjoy **our chefs' live cooking**. On Youtube, **Grégory Corman** and **Eric Riem** have shared their know-how on video to give you a foretaste of their recipes.

NEWS-EXPRESS

Cooking show in Madrid

The talented **Chef Paco Morales** created **5 new recipes with Eurial's quality IQF cheeses**. He showed these during a Cooking Show in Madrid, last week (18th of September). The **Kitchen Club**, in the lively area of Salamanca was the perfect **meeting place for the Eurial team to share with foodservice professionals and specialized press journalists**. While waiting for the recipes, visit :
