Eurial news

N°15 - April 2014

MOZZARELLA ALL WORKED!

With MAESTRELLA, give free run to your imagination. Mozzarella in all its forms (diced, shredded, log, slice, block) finds its place in all kinds of applications: in a sandwich with salad, and without moderation on pizzas!

Nothing like a hot panini topped with melting and stretching mozzarella...
A classical but appetizing tomato salad with mozzarella slices...
A gourmet and generous pizza with sliced or grated mozzarella...
A fresh salad with mozzarella balls, hot pastas with melting shredded mozzarella...

The Maestrella mozzarella applications may be declined to infinity!
