Maestrella, a complete new range of pizza cheeses

Since January Eurial offers a range of pizza cheeses for professionals under the new brand Maestrella.

Created to answer all your needs, the Maestrella range propose various recipe of Mozzarella and mix of analogue and cheeses in different formats (chilled, frozen, shredded, diced, slices or cylinder).

In September, 2 new products will complete the range of pizza cheeses.

Mozzarella cylinder DIC:

Ideal for hot and cold applications. Your cold dishes will enjoy its great texture and milky taste whilst it will melt evenly during the cooking without coloration.

Doblo 70:

Analogue cheese with 70% mozzarella that combines the stretching properties of mozzarella and the smooth texture of the analogue cheese.
