It's all happening at Maestrella!

Best wishes for 2012!

All the export team at Eurial would like to take advantage of this first newsletter of the year to offer you their best wishes for 2012. For us 2011 was a year of new things; a new cooperative joined the group, which meant that we have added new products to our range. The new site www.iqf-solutions.com/en has gone online, new ambitions have been born... May 2012 be equally rich in challenges and success!

This New Year is getting off to a flying start!

The **Maestrella** range is being enlarged: grated Maestrella mozzarella in a 1kg bag (a new format that is ideal for adapting to your needs) and a new 1kg DIC log for all your applications (fresh taste, a smooth recipe which does not brown when cooked).

To discover our new products and all our others, take part in our quiz devoted to the **Maestrella** brand "Pizza and you" and test your knowledge of the world of pizza...

Visit www.eurial-international.com today and follow our pizzaiolo. There are cartons of **Maestrella** mozzarella to be won, so try your luck!
